Updating Your Voter Information

Registering to Vote

Register to Vote

[Download your application](#) and fill it out. You can return it by mail or in-person at multiple locations in Oktibbeha County.
(<https://sos.ms.gov/elections-voting/voter-registration-information>)

You can register and vote if . . .

- You are a citizen of the United States
- You live in Mississippi and have been there for at least 30 days before an election
- You're 18 years old or older (or will be by the next General Election)
- You also can't have been declared mentally unfit by a court
- You have not been convicted of a crime in a Mississippi court that takes away your right to vote, unless you've been pardoned or had your rights restored.

Were you convicted of a crime?

Only some convictions result in you losing the right to vote but not all. Even if you've been convicted of a crime, that **does not mean** you cannot register to vote. You can find a list of crimes that result in you losing the right to vote, if convicted in the state of Mississippi, here:

Filling Out Your Application

Write clearly: Be sure you write neatly and clearly on your application. If you don't, they may reject your application. If your application is rejected you will not be notified.

Choose the Right Type of Application:

- 1** If you have never registered to vote, select **New Registration**.
- 2** If you have moved into Oktibbeha County (from another state or from another county in Mississippi), you should also select **New Registration**.
- 3** If you have moved within Oktibbeha County and are updating your voting information, select **Change of Information**.

Enter Your Address:

- Your Home Address is the address where you lay your head at night.
- Your Mailing Address is where you receive mail; it might be a PO Box or other location. It does not have to match your Home Address and is not required if you receive mail at your home.

Enter an ID Number

If you choose your Driver's License number, be sure that it is a Mississippi Driver's License. You can also list the last 4 digits of your Social Security Number, but be sure to enter one of these.

Previous Registration

If you have been registered to vote previously at another address in Mississippi or another State in the United States, fill in this section.

Returning Your Application and Registering

You may return your application by mail or by registering in-person at the Circuit Clerk's Office or the Municipal Clerk's Office.

Be sure you write neatly and clearly on your application. If you don't, they may reject your application. If your application is rejected you will not be notified.

Register In-Person

You may register to vote in-person at the Oktibbeha County Circuit Clerk's Office.

Circuit Clerk's Office

108 West Main Street Ste. 118
Starkville, MS 39759

Be sure that you are registering at least 30 days before the election.

Complete a Mail-In Voter Registration Application

- 1** Fill out your voter registration form. Include your driver's license number or the last four digits of your Social Security number. **Be sure you write clearly and neatly.**

- 3** Make sure your application is mailed at least **30 days before** the election.

Updating Your Voter Information

If you have moved since the last election, you need to update your voter registration information. To update your voter registration:

Option One: Change your address at <https://www.sos.ms.gov/yall-vote>

Option Two: Fill out the voter registration application:

- Download your voter registration form using the QR code or URL at the [beginning of this section](#).
- Fill out your registration form following the information in the Filling Out Your Application section. Select New Registration if you have moved from outside of Oktibbeha County. If you moved within the county, select Change of Information.
- Submit your application form either by mail or in-person using the information in the [Returning Your Application and Registering](#) section.

Confirming Your Registration

- Within 30 days of submitting your application, you should receive your voter registration card.
- If you have not received your voter registration card, you need to contact the Circuit Clerk's Office to check on your registration status. The Oktibbeha County Circuit Clerk's office number is (662) 323-1356.
- To speak to the manager, contact Oktibbeha County Circuit Clerk, Tony Rook trook@oktcircuitcourt.org

Confirm that you are registered. Seriously.

In our experience, it's best practice to contact the Clerk's office to confirm that you are in fact registered.

You have a right to vote. Confirm it. Protect it.

How to Cast Your Vote

Plan Your Vote

Sample ballots are available 2 months prior to an election date. Email contact@oktibbehademocrats.org to request a sample ballot to plan who you'd like to vote for in the election.

Acceptable Forms of ID

All voters casting a ballot in person or absentee must present an official photo ID . Acceptable forms of identification include a Driver's License, a state issued Voter ID card, or other forms of government issued photo ID.

Voter ID Assistance

Call 1-800-MSVoter (1-800-678-6837) for Voter ID information or assistance in obtaining a Mississippi Voter Identification Card.

Find Where You Vote

You can verify your polling location by checking your voter registration card. In the right-hand column, your county precinct and city ward/precinct will be listed along with the polling location.

Reading Your Voter Registration Card

The image shows a Mississippi Voter Registration Card for Veronica. The card includes the state seal, registration and issue dates, and personal information. It also features a table with election districts and the names of the Circuit Clerk and Secretary of State.

Where you vote might depend on the election

Your voter information card will list the polling locations for county and city elections. Please note that these locations may be different.

Absentee Voting

If you can't vote in person on Election Day, you can vote absentee. To do this, you usually have to go to the Clerk's office and vote in-person. In some cases (you are out of the country, for example) you can vote absentee by mail. If you want to vote by mail, you should contact your local voting office within 45 days of the election.

You can find more information on the Secretary of State's website or by calling their hotline at 1-800-829-6786.

Absentee ballots are now final votes.

In the past, you were able to vote absentee and then in-person on election day with your absentee vote getting tossed out. **That does not happen now.** You may vote by affidavit ballot if you vote in-person on Election Day after voting absentee.

Voting by Mail

If you are 65 or older, have a permanent or temporary physical disability, or are temporarily residing outside your county of residence, you may absentee vote by mail.

Voting In-Person on Election Day

On election day, polling locations are open from 7am to 7pm. You will be asked to show your photo ID and sign the poll book to show that you have voted in this election.

Polls open at 7 am and close at 7 pm

If you are in line to vote by 7 pm, you are able to vote according to the law. **Do not get out of line.** Report anyone who tells you that you must leave to the poll workers. **It is against the law to threaten or scare voters into leaving the polling place while the polls are open.**

If your name does not appear in the poll book

Voters whose names do not appear on the poll book or who do not have an acceptable form of photo ID can vote by affidavit ballot. Voters who cast an affidavit ballot without a photo ID must present a photo ID to the Clerk's office within 5 business days. Voters who cast an affidavit ballot are entitled to receive written information at the time of voting on how to determine if the vote was counted and, if not, why not.

If you need help because of a physical disability

Voters who require assistance in marking the ballot because of disability, blindness, or an inability to read or write are entitled to receive assistance from a person of the voter's choice, excluding, a candidate whose name is on the ballot, or the spouse, parent, sibling or child of a candidate whose name is on the ballot, or by a poll watcher who is observing in the polling place on Election Day, or the voter's employer or agent of that employer, or officer or agent of the voter's union; unless, however, a candidate for office or the spouse, parent or child of a candidate is related within the first degree to the voter requesting assistance.

Voting as a Student

Under Mississippi law, a person must be registered to vote at the place of their permanent residence. For college students, this is usually one of two places: your family home or your campus dormitory or apartment. It is important to know that you can only legally be registered in one county and how this choice will affect your voting process.

Option 1: Register to Vote at Your School Residence

If you consider your school residence as your permanent residence while you are attending college, you can register to vote there. Those who register at their school residence will:

- Be registered to vote in the county where your school is located and vote in that county and city's elections. Example: For Mississippi State University, students would vote for Oktibbeha County sheriff and for the state legislators who represent Oktibbeha County.
- If an election is held when you are away from your campus residence, such as for elections held during summer break, you will need to contact the County Circuit Clerk about voting absentee.

Option 2: Keep Your Voter Registration At Your Family's Home

If you consider your parents' or guardian's home as your permanent residence, and you are just temporarily staying at your school residence while attending college, then you can keep your voter registration at your parents' or guardian's home. If you choose this option:

- You will vote in your family's home county's local elections, such as county sheriff and any representatives that represent all or some of your home county.
- Because most elections are held during the school semester, you may not be able to vote in person at your home county on Election Day, meaning you will need to contact your home county circuit clerk to discuss voting by absentee

Voters unable to vote in person on Election Day may be eligible to vote by absentee ballot. Most absentee voters must appear before the Circuit Clerk or Municipal Clerk and absentee vote in person. A few categories of absentee voters may request a mailed ballot. Voters, who are required to be at work on Election or will be out of town, must absentee vote in person. Absentee voters, who are 65 or older, have a permanent or temporary physical disability, or are temporarily residing outside their county of residence may absentee vote by mail. Please check with your Circuit or Municipal Clerk to determine if you are entitled to vote by an absentee ballot and to learn the procedures for doing so.

Voters included within the Uniform and Overseas Citizens Absentee Voting Act (UOCAVA), such as members of the military and overseas citizens, may register to vote and request an absentee ballot by Federal Post Card Application (FPCA). UOCAVA voters may register to vote using the FPCA up until ten days before the date of an election and may receive and return an absentee ballot by mail, email, or fax.

Absentee ballots are now final votes. If you cast an absentee ballot, you may no longer vote in person on Election Day but you may cast an affidavit ballot.

If you know you will vote by an absentee ballot, you may visit or contact your Circuit or Municipal Clerk's Office at any time within 45 days of the election until 12:00 p.m. (noon) on the Saturday before the election.
